PROJECTS

Charity Frog

2018

Alongside teammates, designed and built a Ruby on Rails site where users will be able donate to various charities in the Portland, Oregon area. Uses PostgreSQL and Active Record.

Ice Fall

2018

Alongside teammates, designed and built a JavaScript browser game for dodging falling objects.

EXPERIENCE

VALENCIA COLLEGE MATH DEPARTMENT | Tutor

2016 – 2017 | Orlando, FL

Tutored students individually on coursework in a variety of math courses; monitored student progress and identified areas for improvement.

KONA ICE | Sales Manager

2015 – 2018 | Destin, FL

Trained and supervised team members to ensure a cohesive workflow and effective communication and curated a fun experience for families.

VOLUNTEER

UNIVERSITY OF CENTRAL FLORIDA ARBORETUM

2017 – 2018 | Orlando, FL

Collaborated on a team to maintain and improve the university's greenhouse and nursery.
